- Avera McKennan Hospital & University Health Center (Indoor Exhibit) \$500 Honorarium
- University of Sioux Falls (Outdoor Exhibit) \$250 Honorarium
- Watertown, SD (Outdoor Exhibit) \$1,000 Honorarium

2022 Call to Sculptors

Call Summary:

SculptureWalk Downtown Sioux Falls is open to all skill levels and education. Sculptors may submit up to five (5) of their own original (in concept, composition and execution) sculptures and the entry fee per sculpture is \$25. SculptureWalk will not accept sculpture entries that are identical to sculptures already installed or to be installed in other similar public sculpture programs within 200 miles of Sioux Falls. If a sculpture in this circumstance has already been placed in SculptureWalk, it will not be eligible for any SculptureWalk awards. We welcome all sculptures and values; however, those not willing to accept up to a \$20,000 purchase price for their sculpture will be excluded from the public voting for the People's Choice Award. SculptureWalk will receive a 25% commission on any sculpture sold and on any commissioned sculptures, except for the People's Choice. SculptureWalk will provide liability and Inland Marine (collision and comprehensive) insurance coverage on all sculptures.

Budget Description:

All sculptors selected for SculptureWalk Downtown Sioux Falls will receive a \$1,500 honorarium for participation in the exhibit. Each year SculptureWalk also awards Best of Show prizes based on artistic merit; this is judged by three industry leaders. Best of Show will receive \$3,000, second place will receive \$2,000 and third place will receive \$1,000. Achieve SculptureWalk Virtuoso Sculpture Certification by receiving three Best of Show or Best of Show runner-up awards and receive an additional \$500 in future exhibitions.

During the exhibition, the public votes on the sculptures, and at the end of the year, the People's Choice sculpture will be purchased at a value not to exceed \$20,000.

Project Description:

The SculptureWalk Selection Committee is comprised of visual artists and local business and community leaders. Entries will be critiqued on artistic merit, creativity, public safety and *durability in an outdoors setting*. All artists will be notified of the selection committee's decisions upon completion of the selection process.

Artwork Goals and Location:

The SculptureWalk Guiding Principle - To be the highest quality, most professional, financially strong, artist friendly, year-round outdoor sculpture program in the United States. The sculptures are owned by the sculptors and loaned to the exhibit for a year.

Sculpture Installation:

Each sculptor will receive a two-night Downtown Sioux Falls hotel for installation weekend. SculptureWalk volunteers and welders will help unload and install the artwork and secure it to the assigned pedestal. At least 3" steel base plate or steel strips should be securely attached to the bottom of each piece so it can be welded to the pedestal or base. All sculptures need to be made of durable material for the yearlong outdoor setting and constructed with safety in mind for displaying in a public setting. SculptureWalk shall design and install the exhibition, reserving the right to withdraw artwork(s) at its discretion if it poses a risk to the safety of the public or the sculpture, or in the event a sculpture is not delivered on or before installation weekend.
