2024 Call to Sculptors

Call Summary:

SculptureWalk is open to professional and amateur sculptors of all backgrounds. Sculptors may submit up to five (5) of their own original sculptures and the entry fee per sculpture is \$25. SculptureWalk will not accept sculpture entries that are identical to sculptures already installed or to be installed in other similar public sculpture programs within 200 miles of Sioux Falls. If a sculpture in this circumstance has already been placed in SculptureWalk, it will not be eligible for any SculptureWalk awards.

SculptureWalk will receive a 25% commission on any sculpture sold or commissioned. SculptureWalk will provide liability and Inland Marine (collision and comprehensive) insurance coverage on all sculptures.

Budget Description:

All sculptors selected for SculptureWalk Sioux Falls will receive a \$1,500 honorarium for participation in the exhibit. Each year SculptureWalk also awards Best of Show prizes based on artistic merit, which is judged by four industry leaders. Best of Show will be purchased by the City of Sioux Falls for up to \$30,000.

During the exhibition, the public votes on their favorite sculptures. The People's Choice sculptures will be awarded cash prizes. First place will receive \$3,000, second place will receive \$2,000 and third place will receive \$1,000. Achieve SculptureWalk Virtuoso Sculpture Certification by receiving three Best of Show or People's Choice awards and receive \$2,000 future SculptureWalk honorarium.

Project Description:

The SculptureWalk Selection Committee is a blind jury of local dignitaries and art enthusiasts. Entries will be juried on artistic merit, creativity, public safety and *durability in an outdoors setting*. All artists will be notified of the selection committee's decisions upon completion of the selection process.

Artwork Goals and Location:

The SculptureWalk Guiding Principle is to be the highest quality, most professional, financially strong, artist friendly, year-round outdoor sculpture program in the United States. The sculptures are owned by the sculptors and loaned to the exhibit for a year.

Sculpture Installation:

Sculptors traveling from 151+ miles from Sioux Falls will be given a stipend for the trip to Sioux Falls for installation weekend. Payment will be based on distance to Sioux Falls from your zip code up to \$500. Each sculptor will also receive a complimentary two-night stay at a downtown Sioux Falls hotel for installation weekend.

SculptureWalk volunteers and welders with necessary equipment and labor will help unload and install the artwork and secure it to the assigned pedestal/concrete pad. At least 3" steel base plate with four tabs 90° a part should be securely attached to the bottom of each piece so it can be welded to the pedestal or base. All sculptures need to be made of durable material for the yearlong outdoor setting and constructed with safety in mind for displaying in a public setting. SculptureWalk shall design and install the exhibition, reserving the right to withdraw artwork(s) at its discretion in the event that they pose a risk to the safety of the public or the sculpture.
